PLEASANT LOCAL HIGH SCHOOL

THE KEY 1966

Pleasant Local School
Marion, Ohio

LOOK THROUGH ANY WINDOW

Looking through the window of Pleasant Local School from September, 1965, to June, 1966, we have seen many important and interesting persons and events. We would like to share our visions with you in the 1966 edition of The Key.

We have seen the administration and faculty, who have worked so diligently with us that we may become worthy adults. The board of education has made it possible for us to obtain a good, sturdy high school education. We could scarcely have continued without the help of the cooks, bus drivers, and custodians.

We have seen the members of the senior class, each trying to make his last year at Pleasant the best of them all, and each trying to learn and attain all that will help him in future years.

We have seen the other classes of Pleasant, all looking ahead to their senior year and graduation.

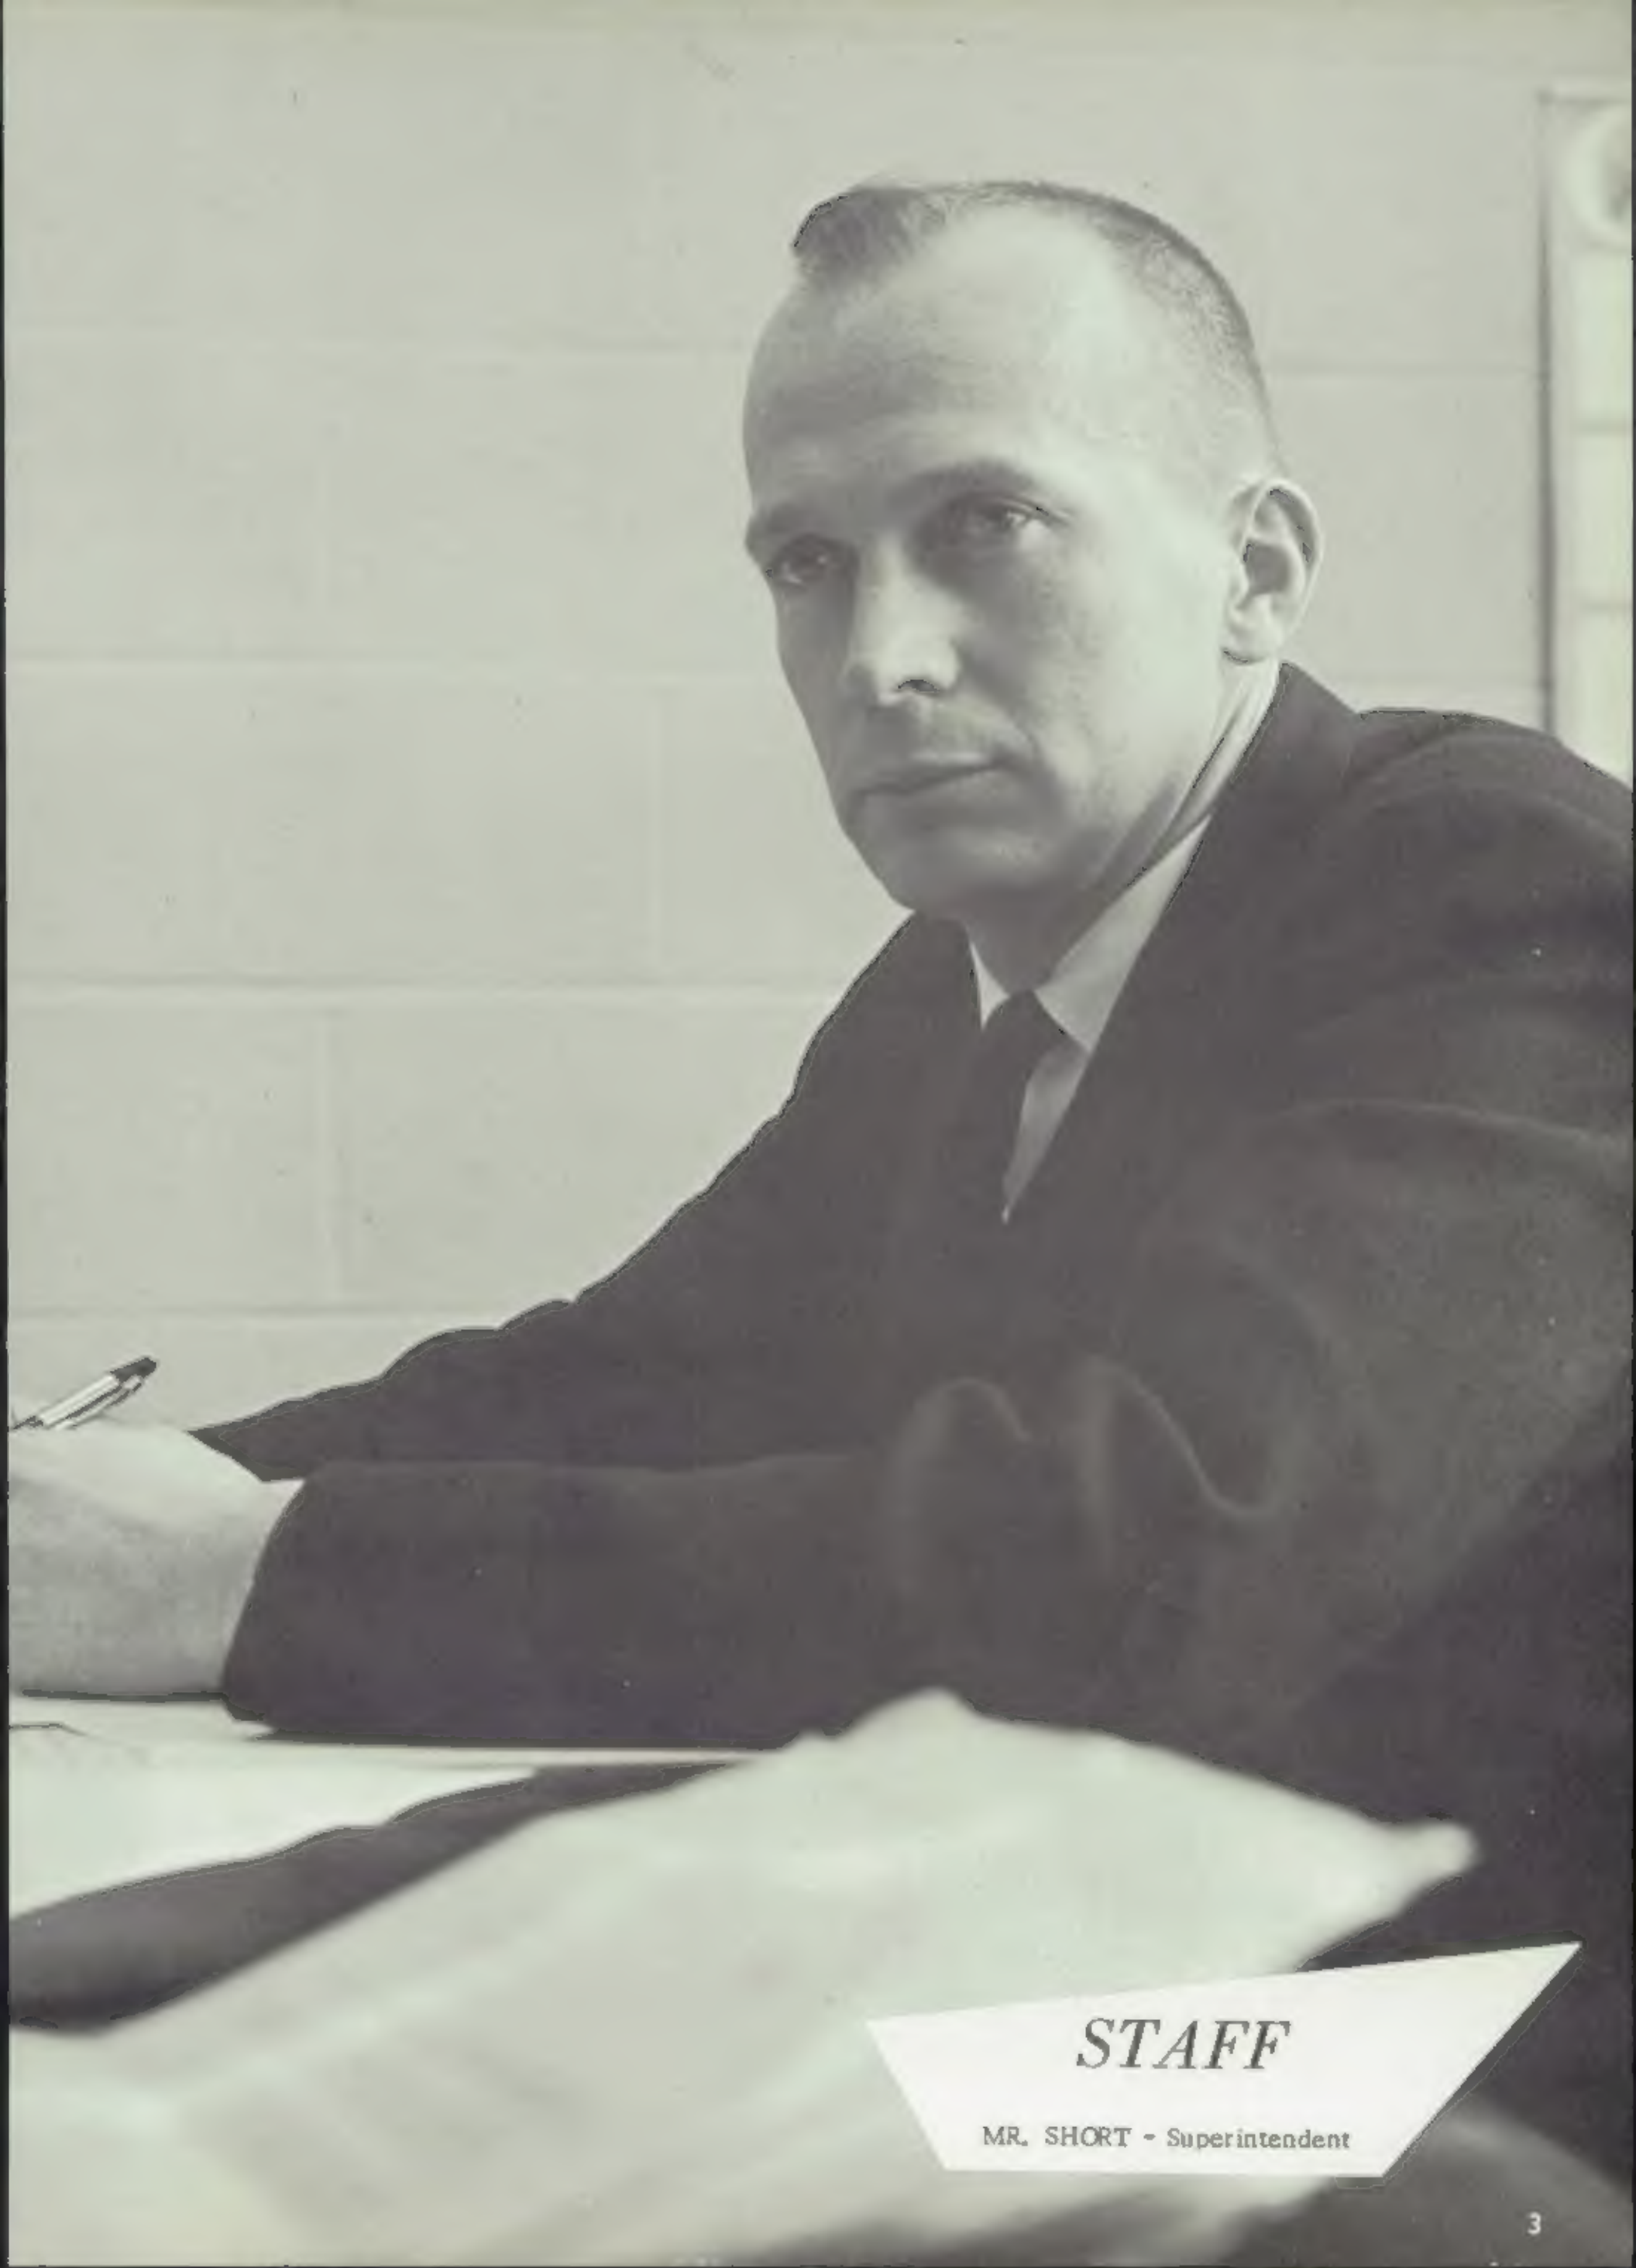

We have seen student participation in activities, organizations, and athletics, all of which will make us better people in tomorrow's world.

We liked what we saw and hope that you will like it, too.

A special "thank you" goes to Mr. Cornett and the yearbook staff who have made this book a memorable one for us all.
